 <p>4:25 1</p> <p>Hulkolas</p> <p>MILEDSAS</p> <p>Yo</p> <p>Can u get olga to stop freaking out. Obviously I'd be mad to the point of consequences if she helped send me to prison forever. So. Wats the problem. There's no problem if no one is trying to fuck over my life w intentions. I'm not allowed in harrisons anymore cuz u two apparently so help fix this plz Hope u knew Denis didn't care what happened that night. We said very clearly all he had to worry about that night was dehydration. We were givin him water. He wud kick it over on purpose. U wud be mad at him for everything he did if u ware there that night. And also. He didn't take nearly fetal dose of anything. So stop messing w my life for his own mistakes and his own cravings n wanting for shit. Only thing anyone else there did was keep him safe in any way humanly possible</p> <p>VANCE AI</p>	<p>03/29/2019 4:25pm Screenshot</p> <p>Yo</p> <p>Can you get olga to stop freaking out</p> <p>Obviously I'll be mad to the point of consequences if she helped send me to prison forever. It's cuz of his stupid housemates
And it's because of olga being scared of me
for no fucking reason
Basically I said if she threatens my whole life
There will be consequences
U shud help me fix this
He has same housemate next year
No more harisons
He said they said olga and Cara won't come
when I'm there
And olga is scared and shit
This is fucking bullshit
This will cause consequences
Don't spread that one
But I guaranteed based on how heated I was
this morning
And based on my friendship w Harrison

Ur involved now by going this route. Damn.
Can't even control ur emotions. U will find
out then. Cuz I'm blocked from olga
U hear me. U r involved now just as u didn't
want by not sending this. And no I don't
involve u by being near. Involving wud be
killing u. Not telling to tell someone else
something. U do this for other ppl and not
me. Ur fucked
Lol u literally accomplished what u don't
want to happen. And the solution is to tell
olga. Let's see what u will do next w ur
games.
